Noble is one of the most dominant sires of the Brahman world. With over 600 progeny recorded in the ABBA, he is a proven “improver” across many herds and on many types of cows. Other than paying attention to birth weight he’s simply a bull you can’t go wrong with using. A triple trait leader for WW, YW and Disposition. The #1 sire of champions in the USA for 2020 and 2019 including siring the 2020, 2019, and 2018 Houston Grand Champion Grey Bull, the 2020 Houston Grand and Reserve Champion Grey Female, the 2020 and 2019 All American Grand Champion Grey Female and many many more! Owned with SRS Land & Cattle and J.D. Hudgins Locke Division.
